

Marketing Solutions | Capability Overview

Managed Services for Digital Marketing

Connect with more consumers in an increasingly fragmented world

Let us handle the digital marketing details. So you can focus on your business.

When you combine the strength of Rithum's proprietary technology with the experience of our digital marketing experts, amazing things can happen. Like smoother campaign setup. A higher return on ad spend. And ultimately, faster-than-ever sales growth. Plus, we'll free up your internal team to focus on other important aspects of the business.

annual ad spend managed

Digital Marketing Strategy

Our technology and industry experts are here to help optimise your campaigns across search engines, social media channels, marketplaces, video platforms and much more.

- Streamline campaign creation, management and tracking
- Uncover revenue-boosting opportunities
- Transform your product data
- Automate the delivery of feeds

Product Feed Management

Our team of e-commerce experts can easily transform your product data to meet the requirements of multiple merchandising, marketing and advertising platforms. We'll put our feed management solution to work to deliver your data in a variety of formats, and then track success so you don't have to.

- Build, automate and track your ideal feed delivery strategy
- Tailor your feeds for each destination
- Leverage constant monitoring and error resolution
- Gain access to regular feed and data audits
