

CHANNELADVISOR'S FULFILLMENT NETWORK

Streamline Your Fulfillment Process to Stay Competitive

You take every precaution to ensure that your customers' experiences are positive through the point of sale. But what about the delivery experience?

With 64% of internet users saying that delivery speed is important,¹ it's clear that "fast and free" delivery is no longer an option — it's an essential strategy. Failing to offer online shoppers a variety of attractive fulfillment options is now a deal breaker. It's important to have a fulfillment experience that won't tarnish your brand and will attract customers for repeat business.

To help make sure your e-commerce strategy is complete and successful, ChannelAdvisor's Fulfillment Network has integrations and partners to will help you deliver a seamless consumer experience to new and repeat customers.

CHANNELADVISOR SOLUTION

ChannelAdvisor's Fulfillment Network integrations and partners help you purchase and print shipping labels directly through the ChannelAdvisor platform, or automatically transmit orders to third party logistics providers, freight providers, drop shippers or other shipping software solutions.

These integrations ensure you have a streamlined fulfillment process in a cost effective way, regardless of the order source or fulfillment method.
